

AFFIDAVIT

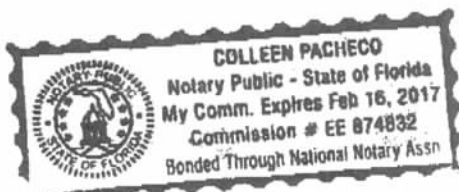

I, Samantha Scheibe do hereby swear that the following is true and accurate:

1. On November 18, 2013, I called 911 during an argument with my boyfriend, George Zimmerman.
2. We were arguing over personal matters, and I was very overwhelmed and upset at the time.
3. When I was being questioned by the police I felt very intimidated. I was not allowed to call an attorney nor was I allowed to eat or drink anything for a very long time. I believe that the police misinterpreted me and that I may have misspoken about certain facts in my statement to the police. I do not feel that the arrest report accurately recounts what happened.
4. There were guns in the residence that belonged to George and a gun that belongs to me.
5. During the argument, George and I exchanged words in the heat of the moment and we were in very close proximity in a relatively small room. George never pointed a gun at or toward my face in a threatening manner.
6. I want to be with George. I contacted George's attorney to ask if there is any way that the stay away order can be lifted so that we can talk and be together. I am not afraid of George in any manner and I want to be with him.
7. I do not want George Zimmerman charged. I make this decision freely, knowingly and voluntarily, without any intimidation coercion or undue influences. Neither George Zimmerman nor anyone on his behalf has threatened me or coerced me or subjected me to any undue influences.

Further, I request that the Seminole County State Attorney's Office not be allowed to harass me because I do not wish to take part in any prosecution of this case on behalf of the State.
