COLOR OF LAW COMPLIANT

RE: Lowndes County Judicial Circuit (Superior Court); Lowndes County Superior Court Judges, Chief Judge Harry Jay Altman II; Senior Judge Richard M. Cowart and Judge Robert Porter (Cairo GA)

Dear Sir/Mam:

I am interested in Justice and Truth, we hereby request a full criminal and civil rights investigation into the affairs of the Lowndes County Judicial Circuit Judges - the Lowndes County Superior Court Chief Judge **Harry Jay Altman II**; Senior Judge **Richard M. Cowart** and Superior Court Judge **Richard Porter** (Cairo GA), Presiding Judge in the **Kenneth & Jackie Johnson Attorneys fees**;

On August 08, 2016; September 12, 2016; October 03, 2016; October 04, 2016; and October 5, 2016, Judge **Richard Porter** went to sleep 6 or more times during each of the trial dates listed above while witnesses where being question on the stand by the Johnson's Attorney **Chevene King**; this would be a direct violation of his Code of Ethics, and his Oath of Office; Judge **Richard Porter** unethical behavior borderlines conspiracy to defraud and or manipulate the rules and regulation of the Court and a direct violation of the defendants Constitutional Rights secured to them by both the United States Constitution and the Georgia Constitution, bill of Rights: (1) Due Process of Law; (2) Equal Protection of Law; (3) Freedom of the Press,

Judge **Porter** has shown favoritism to the white Attorneys, by allowing these Attorneys to run the Courtroom as they see fit; by disrespecting and or trying to tear down the character of Attorney **Chevene King**, (saying little smart remarks); Judge **Richard Porter** even tries to rush Attorney **Chevene King** with his examination, as he has a legal right to question his client's accusers.

Judge Richard Porter willfully and intentionally, by constantly refusing to allow cameras in the Courtroom, maybe he did not want them to catch him sleeping.

See U.S. Attorney's Manual, Title 8; Civil Rights, 8-3.130

On September 11, 2016 I emailed Chief Judge Harry Jay Altman II & Senior Judge Richard M. Cowart a complaint about Judge Richard Porter sleeping while presiding on the bench, see attached copy, marked **Exhibit 1 complaint filed.**

We believe the investigation will uncover that the Corruption and Conspiracy under the United States Rico Act U.S. Code 18, Ch. 96 (Racketeering Influenced and Corrupt Organization Act).

A public trust in our Police Departments is a matter of the utmost importance. Every time an African – American is mistreated, abused and treated unfairly, it implicates the very integrity of the justice system itself.

We urge the U. S. Attorney's Office (FBI) to swiftly conduct all necessary investigations. The people of Lowndes County and the Johnson's Family and friends need the facts to restore their confidence in their safety from rouge Judicial System.

We look forward to meeting with your prosecutors and FBI to discuss in detail the numerous issues surrounding the violations of the rights of African – American Citizens, we thank you in advance for your time and assistance.

If you have any questions, concerns, or require more information please call.

Respectfully Yours,

Preventing abuse of this authority, however, is equally necessary to the health of our nation’s democracy. That’s why it’s a Federal Crime for anyone acting under “Color of Law” to willfully deprive or conspire to deprive a person of a right protected by the Constitution or the U.S. Law. Color of law simply means the person is using authority given to him or her by local, state, or federal government agency. (As stated by the FBI’s website)

COMPLAINTS

1. Superior Court Judge Richard Porter (Cairo Georgia), assigned to hear the Johnson’s case in Lowndes County Superior Court, Judge Porter was asleep at least 6 or more times during key witnesses’ testimonies during the trial dates as followed: August 06, 2016; September 12, 2016; October 03, 2016; October 04, 2016 and October 05, 2016;
2. Judge Porter showing favoritism towards 8 whites Attorneys against 1 black Attorney Chevene King, by allowing the Plaintiffs’ Attorneys to rule on their own objections and even swear themselves in to testify; permitting the 8 white Attorneys to degrade and speak to another officer of the court in a disrespectful way, (Chevene King); Is this Favoritism or Racism? Favoritism because these 8 white Attorneys are friends and or associates of his, or Racism because Attorney Chevene King and his Clients or African-Americans and the Plaintiffs’ Attorneys or all white;
3. Cover up and hindering criminal charges to protect the integrity of the Departments and its heads, an unjustified system of white supremacy unequal to African-American citizens;
4. Both the Chief Judge Harry Jay Altman II and the senior Judge Richard M. Cowart received an emailed complaint about Judges Porters unethical behavior, as of this date no response was ever received from either of them; thus it would seem they share the same ideology and the Jim Crow way of Justice.

COMPLAINT

Dear Honorable Judge Altman:

This is to inform you about the unethical behavior of one Judge **Richard Porter** in the Kenneth & Jackie Johnson case;

Judge Porter willful disrespect and direct violation of his Oath of Office towards the Johnson's family by not allowing the Johnson Attorney Chevene King to properly defend his clients to the best of his abilities, a direct violation of Due Process, and Equal Protection of Mr. Kings clients legal right secured to them, both by the United States Constitution & the Georgia Constitution, Bill of Rights!

It would seem that judge **Richard Porter** lacks the ability and or knowledge to handle a case that's based on white privileges in America, he has discriminated against the Johnsons and their Attorney Chevene King during and after both trials, this type of behavior makes one wonder is it "Favoritism or Racism", Favoritism because he knows all eight white Attorney's or Racism because he supports white Supremacy!

Judge Richard Porter's actions and behavior would lead one to believe, his has shown Favoritism towards the eight white Attorney's facing Chevene King, one black Attorney, thus he supports white supremacy!

Judge Richard Porter also allegedly was seen several times after the trial talking with the eight white Attorney's without the presents of the Johnson's Attorney Chevene King!

Judge Richard Porter's inattention to the Johnson case by falling asleep, multiple times during key testimonies, at both previous trials, thus how can he rule on a case of this nature if he has missed part of the testimony that he will use to make his final decision, maybe he has already made his final decision before the case even started!
